Sunshine (with Intro) [Live]

Enchantment

Do you remember the times
when you walked into my life
girl I was so confused
my heart was filled with pain
but then you came and my whole world changedWith just the look of your smile all my hurt went away
and i know that I'll be with youYou are my heart (you are my heart)
you are my sunshine (you are my sunshine)
you bring me joy and love and dream
you are my all
It's like it's meant to be mine (I needed someone like you)
god answered all of my cries (sent me an angel like you)
cuz girl whenever we're together
something strange comes over me
I can't think and my heart wishes endlessly
cuz when i hold you inside my arms
sometimes, girl I never wanan never wanna let you go... noYou are my heart (you are my heart)
you are my sunshine (you are my sunshine)
you bring me joy and love and dream
you are my allI wanna cherish this moment together again
and something so special should never end
You are my heart (you are my heart)
you are my sunshine (you are my sunshine)
you bring me joy and love and dream
you are my all
