

Beautiful Girl Of The Prairie

Wilf Carter

Oh-dee-lay-dee-oh dee-lay-ee-oh oh-layeeeeeeAye-hi-aye-aye
Beautiful girl on the Prairie
With eyes of blue and a heart so true
She's a girl I am going to marryAye-hi-aye-aye
Beautiful girl on the Prairie
We ride along we'll sing a song
Of our love and live on the prairieIn the sunset glow we'll ride and flow
Just me and my gal on the prairie
I dream and dream and lovely it seems
How could we ever be lonelyAye-hi-aye-aye
Beautiful girl on the Prairie
With eyes of blue and a heart so true
She's a girl I am going to marryAye-hi-aye-aye
Beautiful girl on the Prairie
We ride along we'll sing a song
of our love and live on the prairieWe swing we swerve and strumming guitar
We'll pledge our love forever
no rose so fair can ne'er compare
to my sweetheart on the prairieAye-hi-aye-aye
Beautiful girl on the Prairie
With eyes of blue and a heart so true
She's a girl I am going to marryAye-hi-aye-aye
Beautiful girl on the Prairie
We ride along we'll sing a song
of our love and live on the prairieOh-dee-lay-dee-ho dee-layee-oh oh-layee-oh-layee oh-layeeee
