

Watch Out (Robbie Rivera Remix)

[Alex Gaudino](#)

Expectations and possibilities
Don't need no crystal ball
Across the probability, yeah

I plan to take you home
Do what you do to me
Come be my roller-coaster
Got you where we supposed to be

Watch out, I'm diggin'
Why don't you give it a try?
Deep down, can you feel it?
You know I've been right

Better hold tight
We gonna turn it 'round
And around, and around
And around, and around

Expectations of what you givin' me
You've got me head to toe
Your wet arm hold your arm on me

Why don't you satisfy my curiosity?
Come be my Romeo
You've got me where I wanna be, yeah

Watch out, I'm diggin'
Why don't you give it a try?
Deep down, can you feel it?
You know I've been right

Better hold tight
We gonna turn it 'round
And around, and around
And around, and around

Watch out, I'm diggin'
Why don't you give it a try?
Deep down, can you feel it?

You know I've been right

Better hold tight
We gonna turn it 'round
And around, and around
And around, and around

Watch out, I'm diggin'
Why don't you give it a try?
Deep down, can you feel it?
You know I've been right

Better hold tight
We gonna turn it 'round
And around, and around
And around, and around

Watch out, I'm diggin'
Why don't you give it a try?
Deep down, can you feel it?
You know I've been right

Better hold tight
We gonna turn it 'round
And around, and around
And around, and around
