

Disenchanted (Live in Mexico)

My Chemical Romance

I was there on the day
They sold because for the queen
And when the lights all went out
We watched our lives on the screen
I hate the ending myself
But it started with an alright scene
It was the roar of the crowd
That gave me heartache to sing
It was a lie when they smiled
And said you won't feel a thing
And as we ran from the cops
We laughed so hard it would sting
Yeah, Oh If I'm so wrong (so wrong, so wrong)
How can you listen all night long? (night long, night long)
And will it matter after I'm gone?
Because you never learned a goddamn thing
You're just a sad song, with nothing to say
About a life-long, wait for a hospital stay
And if you think that I'm wrong
This never meant nothing to you
I spent my High-school career
Spit on and shoved to agree
So I can watch all my heroes
Sell a Car on T.V.
We got the obvious Scene
We'll show 'em what we all mean
If I'm so wrong (so wrong, so wrong)
How can you listen all night long? (night long, night long)
And will it matter long after I'm gone?
Because you never learned a goddamn thing
You're just a sad song, with nothing to say
About a life-long, wait for a hospital stay
And if you think that I'm wrong
This never meant nothing to you
So go away
Just go away
Where did you run to
Where did you hide
We'll find another way
Price you pay
Woah, woah, woah, woah, woah, woah, woah
You're just a sad song, with nothing to say
About a life-long, wait for a hospital stay
And if you think that I'm wrong
This never meant nothing to you
You're just a sad song, with nothing to say
About a life-long, wait for a hospital stay
And if you think that I'm wrong

This never meant nothing to you
At all, at all, at all, at all
