Something To Forget (Version II)

Texas Is The Reason

I have to learn to never ever be late.
And how to almost always be on time.
I have to understand this time.
It's too bad that this side of you can't be seen by everyone.
So now you've got something to forget.
I have to learn how to remember to forget
and how to build this all again.
I have to build this all again.
This is only fun for me.
