

# Forget My Name

## New Found Glory

Tell all my friends I'm dead  
I'm leaving you, this time it's for good  
Tell all my friends that I'm dead  
It won't be long before you forget my name Can you tell that I'm losing myself?  
I think I'm trying too hard to let it show  
To let you know, don't trace your footsteps back to me 'Cause I've been gone for a long time  
Waiting on the sidelines, hoping for a chance to play  
Well, I thought I would never leave anything behind  
I also never thought I'd say Tell all my friends I'm dead  
I'm leaving you, this time it's for good  
Tell all my friends that I'm dead  
It won't be long before you forget my name Can you tell that I don't know myself?  
I need someone to remind me to let it go  
Please let me know, don't trace your footsteps back to me 'Cause I've been gone for a long time  
Waiting on the sidelines, hoping for a chance to play  
Well, I thought I would never leave anything behind  
I also never thought I'd say Tell all my friends I'm dead  
I'm leaving you, this time it's for good  
Tell all my friends that I'm dead  
It won't be long before you forget my name And if I had the chance to do it all again  
I wouldn't expect anything less  
And if I had the chance to do it all again  
I wouldn't expect, I wouldn't expect anything less Tell all my friends I'm dead  
I'm leaving you, this time it's for good  
Tell all my friends that I'm dead  
It won't be long before you forget my name, forget my name
