

Twisted

New Kids on the Block

You wanna feel
I'll let you feel
Come over here
Can't help what love
Could do to you You with cuts, scars, bruises hurt
So what you like, you like all the
Screws, tattoos, cool
That I can do, you're telling
You're telling me your [Chorus]
A little bit (little bit)
Twisted (oh)
Can't feel your heart
You want me to twist it (for ya)
A little bit (little bit)
Twisted (tell me where it hurts)
Where does it hurt
Tell me where to kiss it (kiss it)
Kiss it (kiss it)
Kiss it (kiss it)
Where does it hurt
Tell me where to kiss it How do you feel
I got you ill
From all the love
I'll try not to kill ya
Ya close enough but, You with cuts, scars, bruises hurt
So what you like, you like all the
Screws, tattoos, cool
That I can do, you're telling
You're telling me your [Chorus] You need a little more
I'll get you where you want
I'll push you how you want it
Just tell me where to pull
You want it (harder)
Need it (harder)
Girl It's (turnin')
How you (like It)
Girl (whatever)
You been (missin')
You (need me to)

Come and
Twist it for ya
I'll come and (twist it for ya)
I'll even (clean it for ya)
I'll hurt ya (if you like it)
And then I'll (kiss it for ya) Kiss it for ya
Kiss kiss kiss it for ya
Diss miss it for ya
Kiss it for ya
Kiss it for ya
Twist it for ya
Sadistic for ya
It's good for ya
It's just for ya [Chorus] Twist it for ya
Twist it for ya
Sadistic for ya
Sadistic for ya
Twist it for ya Where does it hurt
Tell me where to kiss it
