

Chicken Blows

Guided By Voices

Chicken blows
I suppose we could have a girl or a boy
And I see what you mean
I'm not here to drink all the beer In the fridge
(Oh, la la la)
In the room
(Oh)
In the house In the place
(Oh, la la la)
That we both
(Oh)
So love Can you sink to the depths
I don't know, I don't even care
And our lives slip away
In the end we will probably reach All the way
(Oh, la la la)
To the walls
(Oh)
Over there Have you flown?
(Oh, la la la)
Our courage
(Oh)
Is only a taste And I'll get paid
(Ooh, ooh)
If you'll get laid
(Ooh, ooh)
It's our parade
(Ooh, ooh)
