Love M.D.

Hank Williams, Jr.

Knocked out of my breath
Since I fell for you
Now I've come down
With the heartbreak blues
It's gonna take a doctor
Witha special degree
I need a love doctor
I need a love M.D.I've been sick ya'll
I've been sick ya'll
Bedridden
BedriddenI need a prescription
Just right for me
A lot of bed rest
And some company
A whole lot of hugs
A little sympathy
I need a love doctor
I need a love M.D.I've been sick ya'll
A love M.D.
