Rescue Me

World Party

Hold me up 'cause I think I'm going under
Cheer me on if I'm gonna fall behind
Rescue me 'cause the sky is full of thunder
Speak for me when I finally lose my mindUntil now, I've always felt in control of my life
A happy man on the best of days
Someone been rocking my ladder
And the scenery has changed in so many waysI can't get back to a place I know so well
I look and there's no face to trust
I know that no one said that happiness is everybody's right
But why should it be out of sight?Hold me up 'cause I think I'm going under
Cheer me on if I'm gonna fall behind
Rescue me 'cause the sky is full of thunder
Speak for me when I finally lose my mindWhen I finally lose my mind
Hold me up 'cause I think I'm going under
Cheer me on if I'm gonna fall behind
Rescue me 'cause the sky is full of thunder
Speak for me when I finally lose my mindI can't seem to get you off my mind
I can't seem to get you off my mind
I can't seem to get you off my mindWhenever I think of you I'm sighing inside
I don't understand why I can't love you
I just go under in the surfer's tide
In the surfer's tide, in the surfer's tideRescue me
Cheer me on
Speak for meHold me up if you think I'm going under
Cheer me on if I'm gonna fall behind
Rescue me, 'cause the sky is full of thunder
Speak for me when I finally lose my mind
