[Trina:] You know big money I get dat
Got my feet up when I kick back
Get major bread for my chit chat
Got Miss Keri baby on this track
What colors in this season
Think I will tear up Niemans
Miami in the mornin'
Be in San Tropez this evenin'
I know you like my style
My million dollar smile
Hit any party red carpet
Man I shut that down
Don't hate just go get yours
No excuses no more
I just dropped another hit
Coz I'm that million dollar chick
[Keri:] Baby if I want it i got it cuz ill be gettin' some more (Yeah yeah)

Baby I'm a Million (a million)
[Diddy:] I'm off in another world

So far out this atmosphere
I could throw a hundred million

Out the cockpit of my Lear
That's dirty money (Uh uh)
You starving hungry (That's right..)

I got a million in singles
Take it all or more, shake it for me
No rainin'

My millions hydro-planin'
And I'm done with San Tropez-in'
In my Lambo' Ice Capadin'

I'm richer than all the riches in the world
You ain't no groupie and I ain't tryin' a' buy you
I'm tryn' a' decide you 'bout that booty

[Keri:]Baby if I want it i got it cuz ill be gettin' some more (Yeah yeah)

I'm a Million Dollar Girl for sure (ah huh)
