

# Blame Canada

## South Park

Time's have changed  
Our kids are getting worse  
They won't obey their parents  
They just want to fart and curseShould we blame the government?  
Or blame society?  
Or should we blame the images on TV?No, blame Canada, blame Canada  
With all their beady little eyes  
And flappin' heads so full of liesBlame Canada, blame Canada  
We need to form a full assault  
It's Canada's faultDon't blame me for my son Stan  
He saw the darn cartoon  
And now he's off to join the KlanAnd my boy Eric once  
Had my picture on his shelf  
But now when I see him he tells me to fuck myselfWell, blame Canada, blame Canada  
It seems that everything's gone wrong  
Since Canada came alongBlame Canada, blame Canada  
They're not even a real country anywayMy son could've been a doctor or a lawyer rich and true  
Instead he burned up like a piggy on a barbecueShould we blame the matches?  
Should we blame the fire?  
Or the doctors who allowed him to expire?  
Heck noBlame Canada, blame Canada  
With all their hockey hullabaloo  
And that bitch Anne Murray too  
Blame Canada, shame on CanadaThe smut we must stop, the trash we must smash  
Laughter and fun must all be undone  
We must blame them and cause a fuss  
Before someone thinks of blaming us
