

No Way Out

Roadrunner United

Children carry out your voice, it really matters
Carry on about your fight and who it shattered
The blood is strewn around
And they will kick a man when hes down
Children carry out your voice, it really mattersWe are never right
We are forever wrong
And I believe as you ran inside
We are good enough to be trueChildren rise from this with forty words and forty fists
Carry on around their hopes before theyre broken
If the people live in doubt
And scream the way out, the way out, the way out
Simply carry out your voice thats all that mattersWe are never right
We are forever wrong
And I believe as you ran inside
We are good enough to be trueAnd we dont want to know everything
We want to know one thing
Only tell us where the blood is
We will clean it upAnd we dont want to know everything
We want to know one thing
Only tell us where the blood is
We will clean it upWe are never right
We are never wrong
And I believe as you ran inside
We are good enough to be trueWe are never right
We are forever wrong
And I believe as you ran inside
We are good enough to be true
