

Weightless

City and Colour

Come close
Lay next to me

Come close
Lay next to me

I need to tell you something important
So stay close
Remain next to me
I need to feel important

Cause it's your eyes that I don't believe
And my heart you will
You will mislead
do you know the consequence
That comes with having such confidence

Holding all the weigh in my life
Then you turn and you walk away from me

So what is this now-
you ask of me
What make your pain such an urgency
And now I'm worn out
So plain you see
Once again my dear a brand new tragedy

Holding all the weigh in my life
Then you turn and you walk away from me

Bleeding all the strength from my life
Then you turn and walk away from me

You're bleeding all the strength from my life
Then you turn and walk away from me
