

# Majority of One

## Last Hope

why would I be someone that Iâ€™m not  
why should I try to be accepted  
excuse myself for living my own life  
Iâ€™m not afraid to be rejected

accepted by majority  
Iâ€™m sorry but Iâ€™m not  
I canâ€™t wait to disappoint you  
just living my own life

why should I try to fit in with your world  
and do what everybodyâ€™s doing  
I live my life for me and no one else  
while you are throwing judgements

accepted by majority  
Iâ€™m sorry but Iâ€™m not  
I canâ€™t wait to disappoint you  
just living my own life

Iâ€™m not asking for permission  
not looking for excuses  
agree to disagree  
itâ€™s time to draw the line  
majority of one  
standing by my side

live up to their expectations  
donâ€™t need your sympathy  
wipe out any single difference  
I donâ€™t want any part of this
