

Girls

Marina & the Diamonds

Look like a girl but I think like a guy
Not ladylike to behave like a slime
Easy to be sleazy when you've got a filthy mind
You stick to your yogurts
I'll stick to my apple pie

Girls are not meant to fight dirty
Never look a day past thirty
Not gonna bend over and curtsy for you

Is there any possibility
You'll quit your sucking up on me
To hide your insecurities
All you say is "blah, blah"

Girls they never hear from me
Because I fall asleep when they speak
Of all the calories they eat
All they say is "na na na na na" (na na na na na)
All they say is "na na na na na" (na na na na na)

Girls, oh girls, buying cheap magazines
Cut out the face and you cut out the dream
'Cause this was all you ever wanted to be
Give in and you go to fuel a new security

Girls are not meant to fight dirty
Never look a day past thirty
Not gonna bend over and courtesy for you

Is there any possibility
You'll quit your sucking up on me
To hide your insecurities
All you say is "blah, blah"

Girls they never hear from me
Because I fall asleep when they speak
Of all the calories they eat
All they say is "na na na na na" (na na na na na)

All they say is "na na na na na" (na na na na na)

I feel I've been riding in a fast car
Burning dirty gas won't get you that far
I feel I've been riding up the wrong path
But I'm gonna make sure I get the last laugh

Is there any possibility
You'll quit your sucking up on me
To hide your insecurities
All you say is "blah, blah"

Girls they never hear from me
Because I fall asleep when they speak
Of all the calories they eat
All they say is "na na na na na" (na na na na na)
All they say is "na na na na na" (na na na na na)

Girls, wag your tails to the beat (na na na na na)
