Away

Leroy

I was thinkin' 'bout it just the other day
My friends I've lost along the way
How sometimes life can be so unpredictable
And if they had to do it all again
Would they do it the same way?
I think my friends would say, yeahEverything's gonna be alright now, now, yeah
Since you've gone away
Everything's gonna be alright now, now, oh yeah
Since you've gone awaySittin' in a corner in my favorite cafe
I remember all those games we used to play
I should have known how you really felt
And how you're really seein' things
But if I had to do it all again
Would I do it the same way?
I think you know what I'd sayEverything's gonna be alright now, now
Since you've gone away
Everything's gonna be alright now, now, yeah
Since you've gone awayNow there's only you and me
And everyday we've got to be free
Yeah, we've got to be freeEverything's gonna be alright now, now, yeah
Since you've gone away
Everything's gonna be alright now, now, yeah
Since you've gone awayEverything's gonna be alright yah, oh yeah
Since you've gone away
Everything's gonna be alright now, now, yeah
Since you've gone away
