So Unexpected

Rocky Votolato

Starving in the shadows that followed you around
Constantly casted upon the holy ground
Tornados of divine intervention
shake every wall of the house you grew up inYou've gotten my attention
The Prodigal Son that wouldn't listen,
is Broken wide openAnd when my mind is
no longer an abandoned building
I'll invite you inside
and the continental divide between
what we wanted and what this life looks like
will finally be reconciled
You've gotten my attention
The Prodigal Son that wouldn't listen,
is Broken wide open
I'm so sorry I abandoned you
I swear I couldn't take the pain, I never meant toI was Broken wide open
Broken wide open
Broken wide open...
