

Coming Soon

NEWCORE

Ooh
Oh Oh Oh
I get some headaches when I hit the heights
 Like in the morning after crazy nights
Like some mother in law in her nylon tights
 They're always
 They're always
 They're always
 They're always
 Coming soon
Coming soon on the outside of the tracks
 You take 'em
The same old babies with the same old toys
The neighbors screaming when the noise annoys
Somebody naggin' you when you're out with the boys
 They're always
 They're always
 They're always
 They're always
 Coming soon
Coming soon on the outside of the track
 They're always
 They're always
 They're always
 They're always
 Coming soon
Coming soon on the outside of the track
 Coming soon
Coming soon on the outside of the track
 Yeah yeah yeah
