

There She Goes (Re-Recorded)

[Carl Smith](#)

There she goes, she's walking away
Each step she takes, brings the heartaches my way
He won her heart, I lost her someday
There she goes she's walking away If I hadn't cheated, if I hadn't lied
I'd be the one, walking by her side
I love her still and I guess that it shows
She's walking away there she goes If I hadn't cheated, if I hadn't lied
I'd be the one, walking by her side
I love her still and I guess that it shows
She's walking away there she goes
