Cactuses

Mike Krol

Cactuses
You hurt me so bad
When I was walking around with you
I felt my mind unglue
It's like I was wasted
A feeling I chased it
And now the world can't stop me now
I'll make it through somehowWe got a car and drove it to the sun
But It didn't take long to find out what was wrong
Oh yeah
Sorry sometimes I'm not any fun
But in the desert you can leave all your trash
Yeah
Cactuses
You hurt me so bad
When I was walking around with you
I felt my mind unglue
It's like I was wasted
A feeling I chased it
And now the world can't stop me now
I'll make it through somehow
Back at my house I try to concentrate
But get distracted by all the traffic and city sounds
One day I'm gonna move out there and get some real estate
And plant a cactus in the front lawn
Rock
