

# Boyfriend Jeans

Grace

{ verse 1 }

Looked in your eyes and I knew it was over. Told me you tried, put your hand on my shoulder.

Don't touch me, I don't want your pity.

Crazy in love, we would play it on repeat.

Told me I was your B and you were my Jay-Z.

Who called time?

gave me no warning sign.

{ Chorus }

I'm wearing, yeah I'm still wearing your jeans. Still roll them up, Still got that hole in the knee.

I bought into the dream that you sold me.

When you told me I'd never be lonely. Jokes on me, yeah.

{ 2nd verse }

Stick to my house when you picked up your first car. I didn't care that it came from a junkyard.

Sunday drives, you were my ride or die.

{ Chorus }

I'm wearing, yeah I'm still wearing your jeans. Still roll them up, still got that hole in the knee.

I bought into the dream that you sold me,

when you told me I'd never be lonely. Well jokes on me. yeahhh.

{ 3rd Verse }

Now I choke that I wrote for you.

How my supposed to sing them now, yeah.

Boy your breaking my heart, you're breaking my heart. cause I'm still....

{Chorus}

I'm wearing, yeah I'm wearing your jeans.

Got to roll them up.

Still got that hole in the hole in the knee. I bought into the dream that you sold me.

When you told me I'd never be lonely. jokes on me, yeah.

Jokes on me.
