

Forgiveness

We Are Scientists

Gorgeous it's been way too long
For this to be going on
What I need's anybody's guess
But honestly I don't expect Forgiveness
For everything is new
It all turns eventually to you
What I need's anybody's guess But honestly I don't expect
Forgiveness
What I need's anybody's guess
But honestly I don't expect
It's likely that I'm going to get
Forgiveness
Forgiveness
Forgiveness
Forgiveness
