

The Pusher

TQ

If you want it
I got it
If you need it
Baby I feed it
I'm your pusher
I'm your pusher
I'm your pusher
Baby you can ask about me
I'm your pusher
I'm your pusher
I'm your pusher
Baby you can ask about me
I'm your pusher She said it's like cocaine
Methamphetamine
High like a blunt of kush
Hot like propane
Am I an expert
I can never explain
She said I'm like a drug
And this is a brake If you want it
I got it
If you need it
Baby I feed it
I'm your pusher
I'm your pusher
I'm your pusher
Baby you can ask about me
I'm your pusher
I'm your pusher
I'm your pusher
Baby you can ask about me
I'm your pusher
She call this the crack house
Best in town
Baby I'm the dope man
Need no ground You know I got the good flake
No cut, full weight
So my clientele is other certain quality
As you can see If you want it

I got it
If you need it
Baby I feed it
I'm your pusher
I'm your pusher
I'm your pusher
Baby you can ask about me
I'm your pusher
I'm your pusher
I'm your pusher
Baby you can ask about me
I'm your pusher Better than an X pill
Stronger than smack
Every time she catch a thrill
She throw it right back She love my product
I keep her coming back
I gotta keep her high
Gotta keep her out of rehab If you want it
I got it
If you need it
Baby I feed it
I'm your pusher
I'm your pusher
I'm your pusher
Baby you can ask about me
I'm your pusher
I'm your pusher
I'm your pusher
Baby you can ask about me
I'm your pusher
