

# Bermuda Triangle Blues

## Blondie

Flight 45, last seen alive on the runway  
Leaving for some fun in the hot tropic sun (back next Monday)  
And our friends are at the airport  
Cousin Bill says, "Enjoy the water sports"  
As we fly into the mystery  
The film comes on and the Earth recedes  
Several hours out - 20 minutes south of Bermuda  
The communication's gone - something has to be so wrong  
And it must be Jesus calling  
The silver ship, the blue sea falling  
Death was in that poison wave and in its gulf a fitting grave  
The coast guard said they might be found  
They know just where the plane went down
