

On the Dancefloor (feat. will.i.am & apl.de.ap)

David Guetta

Feel that heat risin' hard
Hear that beat, turn it up They be movin', that's what's up
They be, they be on the cup
On the cup, do that dance Got me lookin' in a trance
Just like fire, Russian dance
Someone call the ambulance I like it, you like it
We like futuristic
Just ride it, don't fight it
Get down to the music Don't stop it, can't rock it
It's coming like a bullet
It's burnin' like fire
So go ahead and lose it Turn it up, break it down
Shake it up, mix it now
David technique for the dance floor Will I is a work precision
I be cuttin' right concision
Guetta ghetto for the dance floor The G, the U, the T, the T
The A, the AA, we all play
We be, we be ro-ro-ro-rockin' this
Sh-sh-sh- right every day Feel the sound powerful
Mega broads on overload
Electric city pumpin' on the dance floor
