

I'm Telling You This

No Authority

Oh

Baby, yeah

Oh

Yeah, yeah There was a time when I was down

And things just weren't going my way

Just getting by, I didn't have much to give you

Seemed like my world was slowly slipping away But you stayed right by my side

And helped me through the hardest times

I never told you how much you mean to me

You're all that I need I'm telling you this 'cause girl you should know

You're the biggest part of my life

I'm telling you this 'cause I want you to know

You made my darkest days bright and I'm never gonna let you go Oh, no

Ooh baby, yeah So many times, I felt so lost

Just trying to achieve my dreams

But girl you stuck in, no matter what

Reached out your hand you gave your heart to me And then you opened up my eyes

And baby now I realize

My world's much better 'cause you're right here with me

I'm thankful for you I'm telling you this 'cause girl you should know

You're the biggest part of my life

I'm telling you this 'cause I want you to know

You make my darkest days bright and I'm never gonna let you go You've always been right there

Nobody ever cared the way that you do, honey, it's true

And after everything you've done for me

I need you to know how much I love you girl Ooh, yeah

I'm telling you 'cause you should know

You're the sun in my sky

I'm telling you 'cause you should know

I want you, I need you to know I'm telling you this 'cause girl you should know

You're the biggest part of my life

I'm telling you this 'cause I want you to know

You made my darkest days bright and I'm never gonna let you go I'm telling you this 'cause girl you should know

You're the biggest part of my life

I'm telling you this 'cause I want you to know

You made my darkest days bright I'm telling you this 'cause girl you should know

You're the biggest part of my life

I'm telling you this 'cause I want you to know

You made my darkest days bright and I'm never gonna let you go
