Trance Sisters

Memory Tapes

Little sister shake your hands and close your eyes
There's a feeling like a dream won't survive
I can't tell if you're awake, do you hear me call?
Now it's real, what you brought it up forWe've been trying to belong just to make it home
But you get a little lost, and you're left alone
Now you're caught up in a trance, don't call it fate
I'm afraid we're never leaving this placeLittle sister shake your hands and close your eyes
There's a feeling like a dream won't survive
I can't tell if you're awake, do you hear me call?
Now it's real, what you brought it up for
We've been trying to belong just to make it home
But you get a little lost, and you're left alone
Now you're caught up in a trance, don't call it fate
I'm afraid we're never leaving this place
