

My Jesus

Krissy Nordhoff

Here on the bank I stand
In the water is the hope of man
Unclean I fall before You now
Jesus, come wash me inside out
I'm running to the water now
I'm running to the water now
And I'm lost in Your love and Your mercy
Lord, Your beauty is so overwhelming
I'm thankful for Your truth
I'm so in love with You
My Jesus, my Jesus
All things are new again
Covered in waters of love I stand
All my chains are broken
All things are new again
Covered in waters of love I stand
All my chains are broken
As I'm washed inside Your ocean
You make all things new
You are so good to me, Lord, yeah
So thankful, Lord, so thankful, Lord
I'm a new creation
You make all things new, oh, Lord
You are my foundation
You are just so beautiful
I'm a new creation
You make all things new, oh, Lord
So in love with You
