

Favorite Adventure

K's Choice

There you are, your beauty consoles me
I've gone far and I almost didn't find you
And I almost lived without you
There is nothing in this world
I'd rather do than live in you Here we go, our favorite adventure
You should know I was never more complete
And I never thought I'd see
The meaning of my life
Wrapped in you, next to me If you ever fear someday we might lose this
Come back here to this moment that will last
And time can go so fast when every thing's exactly
Where it's at its very best
