

# Sleep Song

[Teresa Doyle](#)

Sometimes I feel like I'll never fall asleep  
I feel helpless  
You can't help me fall asleep  
I like to dream  
But it scares me to think  
That at some point  
I'll forget when the dream began  
I just got out of my bed  
Covered in sweat  
I was angry  
Cause you kept your hand on my chest  
Don't touch me  
I'm concentrating on sleep

On what I'll dream  
But I can't keep my eyelids shut  
Look at me sleeping  
I'm really sleeping  
Look at me dreaming  
I'm so happy  
Look at me sleeping  
I'm really sleeping  
Look at me dreaming  
I'm so happy
