Whatever You Do! Don't!

Shania Twain

Here we go, yeahDeep in Denialville
Tryin' a' fight the way I feel
I go jello when you smile
I start blushin'-my head rushin'If you stand too close to me
I might melt down from the heat
If you look my way one more time
I'm gonna go out of my mindWhatever you do, don't even think about it
Don't go and get me started
Don't you dare drive me crazy
Don't do that to me babyYou stop me in my tracks
My heart pumpin' to the max
I'm such a sucker for your eyes
They permanently paralyzeWhatever you do, don't even think about it
Don't go and get me started
Don't you dare drive me crazy
Don't do that to me babyWhatever you do, don't do that to meYou got my heart under attack
You give me shivers down my back
D'ya have to walk the way you do?
I get weak just watchin' youWhatever you do, don't even think about it
Don't go and get me started
Don't you dare drive me crazy
Don't do that to me babyAnd don't even think about it
Don't go and get me started
Don't you dare drive me crazy
Don't do that to me babyDon't do that, don't do that
