

# Whatever You Do! Don't!

## Shania Twain

Here we go, yeah Deep in Denialville  
Tryin' a' fight the way I feel  
I go jello when you smile  
I start blushin'-my head rushin'  
If you stand too close to me  
I might melt down from the heat  
If you look my way one more time  
I'm gonna go out of my mind  
Whatever you do, don't even think about it  
Don't go and get me started  
Don't you dare drive me crazy  
Don't do that to me baby  
You stop me in my tracks  
My heart pumpin' to the max  
I'm such a sucker for your eyes  
They permanently paralyze  
Whatever you do, don't even think about it  
Don't go and get me started  
Don't you dare drive me crazy  
Don't do that to me baby  
Whatever you do, don't do that to me  
You got my heart under attack  
You give me shivers down my back  
D'ya have to walk the way you do?  
I get weak just watchin' you  
Whatever you do, don't even think about it  
Don't go and get me started  
Don't you dare drive me crazy  
Don't do that to me baby  
And don't even think about it  
Don't go and get me started  
Don't you dare drive me crazy  
Don't do that to me baby  
Don't do that, don't do that
