I Fly

Hayden Panettiere

La La La La, La La La La
La La La La La La
La La La La, La La La La LaVerse 1:
Six AM
Radio Playin'
Stumble out of bed
Runnin' out the door
A brand new day
Never thought I'd have this feeling
Never thought I'd get this far
But I'm okay[Chorus]
And I fly
I reach out my hands and touch the sky
That's right in front of me
And I try
Just let go, relax, enjoy the ride
And I feel freeWhen I fly
When I flyVerse 2:
Thinkin' back
When there were days
I could barely make it out the door
So much doubt
Changed my mind
Change my ways
Wasn't gonna do this anymore
I turned around[Chorus]Like a butterfly
Who lost his soul
I choose not to hide
AnymoreFly
Oh oh oh
FlyAnd I fly
I close my eyes and kiss the sky
That's right in front of me
And I try
Just let back, relax, enjoy the ride
And I feel freeAnd I fly
I reach out my hands and touch the sky
That's right in front of me
And I try

Just let go, relax, enjoy the ride
And I feel freeWhen I fly (5x)La La La La, La La La La
La La La La La La
La La La La, La La La La
