

Tonite

Spiderbait

Where you going tonite?
'Cause I've been looking for you
And where you going tonite?
'Cause I've been looking for you You seemed a bit uptight
As you were walking out
And where you going tonite?
I'd like to find out I'd like to find out
Find out And whatchu doing tonite?
'Cause I would like to come with you
And whatchu doing tonite?
I'd like to come with you You seemed a bit uptight
As you were walking out
Ay, whatchu doing tonite?
I'd like to find out I'd like to find out
I'd like to find out Where you going tonite?
'Cause I've been looking for you
And where you going tonite?
'Cause I've been looking for you You seemed a bit upset
As you were walking out
Ay, where you going tonite?
I'd like to find out I'd like to find out
I'd like to find out
I'd like to find out
I'd like to find out Think your more than I can get
There's nothing left to say
Think your more than I can get
Don't matter anyway Don't matter anyway
