Memories from the Past

Norma Jean

All these lonely lonely mem'ries from the past
I'm sittin' at the table where we used to sit
Thinking of love I knew would never last
Thought I heard the band start playing our favorite song
But it's only lonely mem'ries from the past
I'm all alone tonight seeing visions of you I wish I knew how long this thing will last
I know I'll soon be leavin' and I hope I will forget
All these lonely lonely mem'ries from the past
[steel]
The dance floor now is empty as I sit here all alone
And the time seems to go so very fast
I thought I heard you whisper I love you oh so much
But it's only lonely mem'ries from the past
I'm all alone tonight...
