Body Bags

Lil Slim

Look into the eyes of the government liars
Listen to the sound of the guilty choir
Blood stains on the sacred pyre
Under the book the breathing fireSocial nags, body bags
Make you gag
What a drag, drag, drag
Cyanide and suicide
Don't you try
You're gonna bleed some moreCome and let me tell you about social giants
Heard about the news but no one buys it
Killing is no secret science
Politics are fixing all defianceMarilyn was the finest sleeper
J.F.K was the youngest bleeder
Luther died the bravest dreamer
So kill me know 'cause I'm a believer
