

Body Bags

Lil Slim

Look into the eyes of the government liars
Listen to the sound of the guilty choir
Blood stains on the sacred pyre
Under the book the breathing fireSocial nags, body bags
 Make you gag
 What a drag, drag, drag
 Cyanide and suicide
 Don't you try
You're gonna bleed some moreCome and let me tell you about social giants
 Heard about the news but no one buys it
 Killing is no secret science
Politics are fixing all defianceMarilyn was the finest sleeper
 J.F.K was the youngest bleeder
 Luther died the bravest dreamer
 So kill me know 'cause I'm a believer
