Mexican Inside

Juan Gotti

Ando bien tirado
doin marijana
you don't like my smoking?
loca, thats a problem
mirame curioso
watcha lo que pasa
tattoo on my neck
check it out, it says yolanda
homes cause that's my momma
simon thats my jefa
she knows that her boy, Juan Ramos tumba puertas
breaking colectas
califas to texas
smokin swisha sweet
when i'm rollin with your veja
never disrespect us
esto es no un juego
no tomo no bullshit
bullshits for the pedo
watcha with the caca
squeeze a placa placa
yo no ago nada
pero mi pistola mata..
