I Love You

Lou Reed

When I think of all the things I've done
And I know that it's only just begun
Those smiling faces, you know
I just can't forget 'emBut I love youWhen I think of all the things I've seen
And I know that it's only the beginning
You know those smiling faces
I just can't forget 'emBut for now, I love youJust for a little while
Oh baby, just to see you smile
Just for a little whileWhen I think of all the things I've done
And I know that it's only just begun
Oh, smiling faces, Jesus, You know
I can't forget 'emBut for now, I love youRight this minute, baby now
I love you
At least for now, I love you
