I See Fire

Ed Sheeran

Oh, misty eye of the mountain below
Keep careful watch of my brother's souls
And should the sky be filled with fire and smoke
Keep watching over Durin's sonsIf this is to end in fire

Then we should all burn together

Watch the flames climb high into the night

Calling out father oh stand by and we will

Watch the flames burn auburn on

The mountain side highAnd if we should die tonight

We should all die together

Raise a glass of wine for the last time

Calling out father oh

Prepare as we will

Watch the flames burn auburn on

The mountain sideDesolation comes upon the skyNow I see fire

Inside the mountain

I see fire

Burning the trees

And I see fire

Hollowing souls

I see fire

Blood in the breeze

And i hope that you'll remember meOh, should my people fall then

Surely I'll do the same

Confined in mountain halls

We got too close to the flame

Calling out father oh

Hold fast and we will

Watch the flames burn auburn on

The mountain sideDesolation comes upon the skyNow I see fire

Inside the mountains

I see fire

Burning the trees

And I see fire

Hollowing souls

I see fire

Blood in the breeze

And I hope that you'll remember meAnd if the night is burning I will cover my eyes

For if the dark returns then
My brothers will die
And as the sky is falling down
It crashed into this lonely town
And with that shadow upon the ground
I hear my people screaming outAnd I see fire
Inside the mountains

I see fire
Burning the trees
I see fire
Hollowing souls
I see fire

Blood in the breezeI see fire (fire)
Oh, you know I saw a city burning out
And I see fire (fire)
Feel the heat upon my skin
And I see fire (fire)
Uhhhhhhhh
And I see fire
Burn auburn on the mountain side
