Hairpin Trigger

Venkman's Ghost

Hey
Don't hold it over my hold
Whatever happened many years ago
Those raging waters that you tread..
It's only a matter of time until you drown.
and I know I haven't said enough
But, I would die without you

Oh,
Hairpin trigger
Oh,

I cut a lock of angels hair
I kept it safe inside my box
With all the seashells I collect
I ride the wave to the Luna
I know I haven't said enough
But, I would die without you

Oh,
Hairpin trigger
My Hairpin Trigger
Hey!
