Bumpin

Steadlur

Woh oh oh
Woh oh oh oh!

Bumpin all night and sleepin all day
The girl's on the list but you gotta pay
When all the girls say, all the girls say
Woh oh oh
Woh oh oh oh

Give it up, gimme all you got
Rasie your hands up now if your feelin hot
Now we'll bump it to the left
Bump it to the right
Line to the bathroom, we'll party all night

Hey!
Woh!
Hey!
Woh!

Drinkin all your drugs
Snortin all of your booze
You know those A-town girls got nothin to lose
When all the girls say, all the girls say
Woh oh oh
Woh oh oh oh

Give it up, gimme all you got
Rasie your hands up now if your feelin hot
Now we'll bump it to the left,
Bump it to the right
Line to the bathroom, we'll party all night

We've gotta go
If ya wanna go then go with me
Don't ya wanna be connected?
Well if ya wanna come then come with me
Come on baby kiss electric

You know we've got all night

You know we've got all night

Give it up, gimme all you got
Rasie your hands up now if your feelin hot
Now we'll bump it to the left,
Bump it to the right
Line to the bathroom, we'll party all night

Raise your hands, come on and get it on
Come on and raise your hands, come on and get it on

Hey!
Woh!
Hey!
