

Uthark Runa

Therion

Hail, hail, hail the mystery
Uthark, code of secrecy
Frey, Frey, God of ecstasy
Rise, rise from Ginnungagap Enter the path of Runa
And drink from the well of Urd
Taste the fruits of Iduna
Decipher the signs from the north Hail, hail, God of mysteries
Hail, Frey, your prosperity
Come forth from the depth of Ur
Rise, rise from eternity Enter the path of Runa
And drink from the well of Urd
Taste the fruits of Iduna
Decipher the signs from the north Uthark Runa, Galdra
