Hump Bounce

R Kelly

It's Saturday, I'm ready to go out and have some fun
Get in the club around 'bout twelvish
Me my homies hoochie huntin'
Lovin' the way the DJ's mixin'
And everybody's on the floor
Every day, every night
Humpin' and bouncin' is all I wanna do
Every day, every night
Humpin' and bouncin' is all I wanna do
Hey, what'cha doin'?
Chillin', strokin' the town
Sure you don't wanna come over here?
Nah, I ain't comin' over there, man
What you mean you ain't comin' over here?
'Cause you don't be talkin' about doing shit
Who you wit?
Don't worry about who I'm wit
See, that's why I don't call you
It's time to be havin' a good time tonight
Music got you in the mood, you'll be dancin' all night
Lovin' the way the DJ's mixin'
And when everybody's on the floor
Every day, every night
Humpin' and bouncin' is all I wanna do
Every day, every night
Humpin' and bouncin' is all I wanna do

I know you're here to party
Everybody work it out
Leave all your troubles behind
Let me see you hump and bounce
Every day, every night
Humpin' and bouncin' is all I wanna do
Every day, every night
Help me find a way to that spot tonight
Kelly, won't you help me find a way?
I can help you find a way
Every day, every night
Humpin' and bouncin' is all I wanna do

Every day, every night
Humpin' and bouncin' is all I wanna do
Every day, every night
Humpin' and bouncin' is all I wanna do
Every day, every night
Humpin' and bouncin' is all I wanna do
Every day, every night
Humpin' and bouncin' is all I wanna do
Every day, every night
Humpin' and bouncin' is all I wanna do
