Cherish The Day

Sade

You're ruling the way that I move

And I breathe your air

You only can rescue me

This is my prayerIf you were mine

If you were mine

I wouldn't want to go

To heavenI cherish the day

I won't go astray

I won't be afraid

You won't catch me running

You're ruling the way that I move

You take my air

You show me how deep love can be You're ruling the way that I move

Not breathe your air

You only can rescue me

This is my prayerI cherish the day

I won't go astray

I won't be afraid

You won't catch me running, ah

Cherish the day

I won't go astray

I won't be afraid

Won't run awayYou show me how deep love can be

You show me how deep love can be

This is my prayerCherish the day

I won't go astray

I won't be afraid

Won't run away

Won't shy

Cherish the day

I won't go astrayI cherish the day

I cherish the day

I cherish the day
