Crazy in Love

Conway Twitty

Ain't it funny how time
Steals the feelings from a love affair
And there's no place to lay the blame
It ain't a case of no one cares
Helplessly just watch it fade away
Neither will admit it, we're both aching to sayOoh, I miss the days when we were crazy in love
When you weren't so sure of me
I had my little jealousies
Ooh, bring back the days when we were crazy in love
I need to feel that way again
Remember when we were crazy in loveOh, it used to be so easy
One touch and you were high
And I could get intoxicated just by looking in your eyes
Baby ain't there anything we can do
'Cause I know you're missing me
As much as I've been missing youOoh, I miss the days when we were crazy in love
When you weren't so sure of me
I had my little jealousies
Ooh, bring back the days when we were crazy in love
I need to feel that way again
Remember when we were crazy in love
