Waiting for the Light

Solitude Aeturnus

Sunlight fails you
The darkness falls
Upon your - Pale soft skinWet, dripping pain
Bound by black
Lucid dreams - From injected steelI see the sadness falling from your face
You cry out loudI see the sadness falling from your face
You cry out loud
I see the sadness falling from your face
You cry out loudThe mounting fear
A muffled cry
Wide open - eyes spilling life
You'll still be waiting for the light
Waiting
You'll still be waiting for the light
Waiting
You'll still be waiting for the light
Waiting
You'll still be waiting for the light
Waiting
