In Your Mind

Anggun

Its all in your mind,
In Your Mind...
I don't want to believe
And I don't want to live
By the excuses
Of your weakness
`cause a woman should do
What she wants to do
There is no reason
For your shallow aggravation
Chours

I just want to be sure
Don't want anymore
You're calling out names
Oh what a shame
Just open your mind
Then maybe you'll find
That there's no reason
For your shallow aggravation
Chorus

Nothing wrong with this dress I wear
or this smile I dare
Its all in your mind... in your mind
this legs you see
this lean body
its all what you see in your mind 2x
its only in your mind...
This is the time
To change your mind
There's still a chance
To change your mind
It's plain to see
From anywhere the only thing wrong
Is your irritating mind
Repeat Chorus 3X

In your mind...
