

Liar

Deana Carter

You promised me that I'd be
The only one you'd ever love
And all of our dreams would come true
And I could always count on you Liar, cheater
I bet you break more hearts than anyone
Loser, leaver
Sometimes I think you do it just for fun, liar You said the stars were all ours
And that heaven's just a kiss away
And when we were old you would hold me
And love me til our dying day Liar, cheater
I bet you break more hearts than anyone
Loser, leaver
Sometimes I think you do it just for fun, liar Loves gonna get you back someday
Loves gonna get you hey, hey, hey
Loves gonna be the price you pay Liar, cheater
I bet you break more hearts than anyone
Loser, leaver
Sometimes I think you do it just for fun, liar
